Invitation

## LIFE GAIA Sense Final event

Smart farming for sustainability  
11 May 2022, 10:00-12:00 (CET)

online (Zoom meeting with interpretation in EL, EN, IT, ES & PT)

As **LIFE GAIA Sense** is coming to an end, we cordially invite you to celebrate the closing chapter as we are now ready to share with you the fruit of our joint efforts to inspire and support farmers and agri-cooperatives in the path towards sustainability, by helping them seize the benefits of smart farming.

The event will be hosted by Member of the European Parliament **Paolo de Castro** and it will address the lessons learned during the project as well as partners' testimonies. It will also be an opportunity to debate and exchange on the key challenge and opportunity of the green and digital transition for EU agriculture.
